Matthew's Journey to Success with OhioMeansJobs Stark & Tuscarawas Counties

Matthew came to OhioMeansJobs Stark County determined to build a better future for his family. As an Uber, Instacart, and DoorDash driver, he felt stuck in low-wage jobs and wanted a career that could provide stability. "I would love to provide all the things my family deserves," he shared, motivated by his 15-month-old daughter and 7-year-old son.

With funding support, Matthew enrolled in CDL training at MTC. He faced challenges early on but worked closely with his Employer Services Professional to develop strategies for success. His hard work paid off—he not only earned his CDL-A but also secured Hazmat and tanker endorsements.

Matthew quickly landed a job with Emerald Environmental Company, starting at \$26 an hour during training, with a \$3 raise upon completion!
